Hi Guys!

On the last shooting for eromaxx is comming Barbara with the question for hers blog :

Whitch part of my body,i thing is the best and why?

I said my face :)

from eromaxx blog :

Alexa Bold prefers her face, she says that her fave part of body is her face,

when she has nice make up and make good expression she loves her face.

What do you think? Isn't it really beautiful and perfect face?!

So what you think about my face??? Or you think some other place on my body is better?

kiss Alexa
